If anybody wants to help with the disability evaluations we are working on, we need to make sure buildings are accessible to students with disabilities, if you just have a few minutes

Aleigh

Many people aren't feeling great about the new commencement venue, if you have any feedback, please let me know. I am meeting with the committee, the more voices we have the better.

Jolee

Thank you to everyone who came to help with policy initiatives. We are currently working on the food pantry drive with the other councils, we are also looking into financial equity initiatives. If there is someone who wants to take part or if you're hearing any ideas or concepts that are relevant please reach out, if you have extra time it is also very helpful, please come we would love to see extra support in that.

Apolline

I've been discussing with international students, especially those of color, the ICE agents that have been spotted in Harlem, if you are feeling unsafe or want to talk about this please reach out!

Oscar

We didn't have any knowledge about the venue switch by the administration, if anyone wants to talk about it I'm happy to discuss it with you, compiling comments from students is the best next step, so thank you.
